CERTIFICATE

According to ICO - International Certification Organization – regulations

Andreas Wisler

born 1975-01-21 in Sumiswald (Switzerland)

has passed an examination to receive the certificate

ITEMO Kanban Professional I

They have a solid basic knowledge of Kanban as a method in knowledge-based environments. The topics tested in the certification exam include, in particular, visualization with Kanban, a target-oriented use of WIP limits, the most important metrics in everyday life and their use in connection with the definition of service classes. The certified person can assume an active role in a Kanban team and play an active role in the continuous improvement of the Kanban implementation and the processes involved
